

ABOUT THIS COURSE

The images, artwork, and words used in this handwriting course are all designed to connect children to the good and the beautiful: family, faith, high moral character, and the wonders and beauty of nature and human life.

Inspiring quotes, scriptures, and poems are included in the course and may be included more than once for repeated exposure. This course also helps the child memorize grammar rules and definitions.

The text size for cursive writing starts out large and gets smaller as the course progresses.

The child can refer to the cursive chart at the beginning of the course to learn how to write his or her name in cursive.

This workbook includes 100 sheets, which is 3–4 sheets per week for a normal school year.

It is critical that your child gains a strong foundation in correct letter formation. Do not move too fast through foundational skills.

EVALUATION SHEETS

At different times throughout the course, the child will do evaluation sheets. These sheets help identify any letters or numbers that need attention.

COLORING AND DRAWING

The child will need a pack of colored pencils. This course provides an opportunity for the child to draw or color, improving both his or her drawing and motor skills. Also, many children enjoy handwriting sheets much more with the opportunity to do a little art after the handwriting portion of the sheet.

DOING HANDWRITING AS A FAMILY

Handwriting time can be done together as a family. As some children will not finish one page in the same amount of time as others, you may want to set a certain length of time for handwriting each day, such as 10–15 minutes. Wherever children are on the page, have them stop at the end of the specified time. The next handwriting session, they can pick up where they left off. Some children may complete more than one page during a session, while others may complete less than a page.

HIGHLIGHTER

The child will need a thin-tipped highlighter for this course.
