

SET B

What is...

$$4 \times 7$$

SET B

What is...

$$5 \times 8$$

SET B

What is...

$$7 \times 8$$

SET B

What is...

$$3 \times 9$$

SET B

What is...

$$4 \times 9$$

SET B

What is...

$$5 \times 9$$

SET C

What is...

$$5 \times 6$$

SET C

What is...

$$5 \times 7$$

The answer is...

27

The answer is...

56

The answer is...

40

The answer is...

28

The answer is...

35

The answer is...

30

The answer is...

45

The answer is...

36
