

MARK LIVES ON MARS

by Jenny Phillips

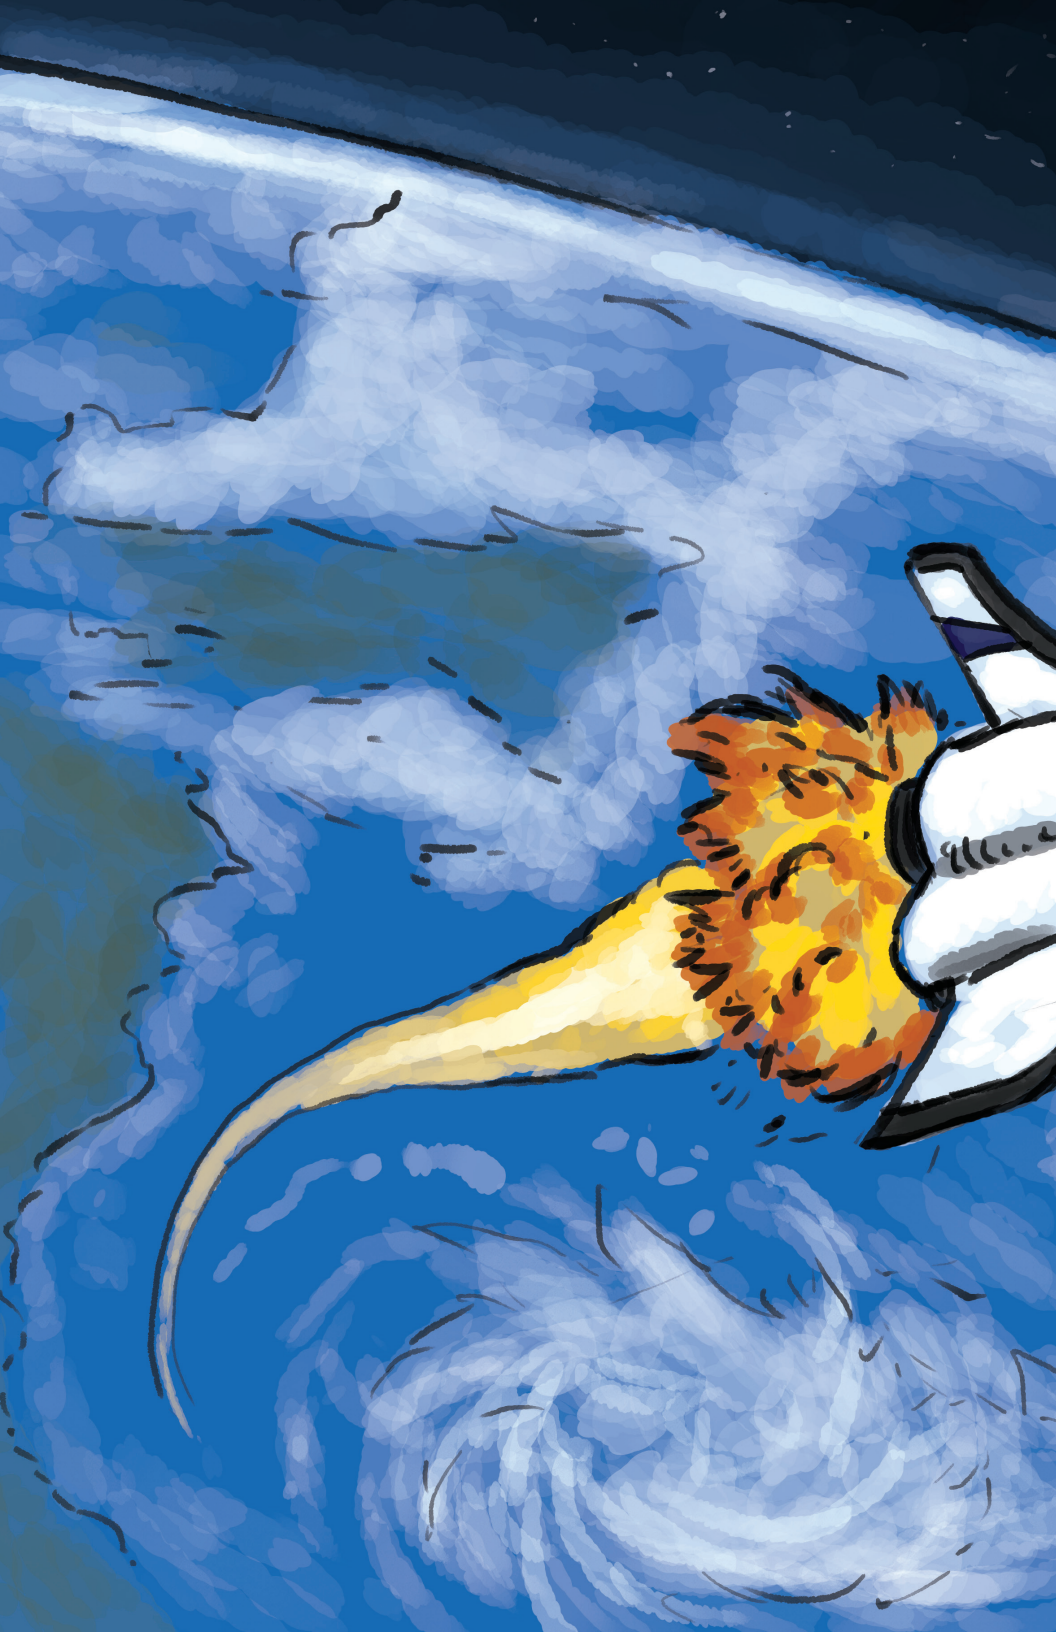

THE GOOD AND THE BEAUTIFUL LIBRARY

CHAPTER 1

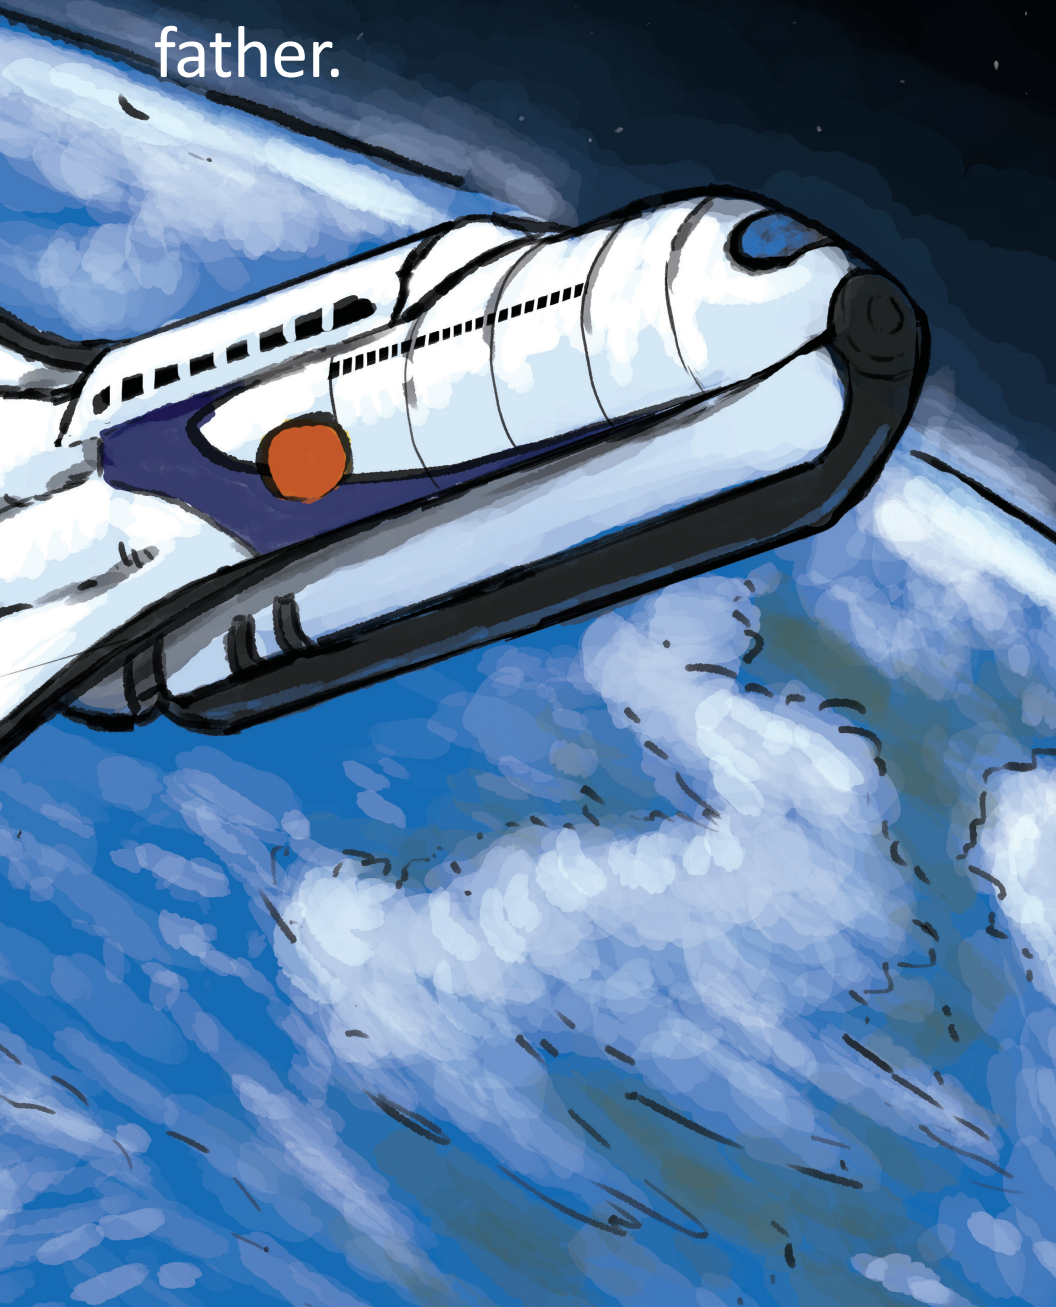

Mark's New Home

This was Mark's home. It had tall trees by it.

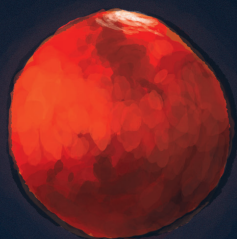

Mark is going to a new
home with his mother and
father.

Look! There is Mark's
new home—Mars,
the Red Planet.

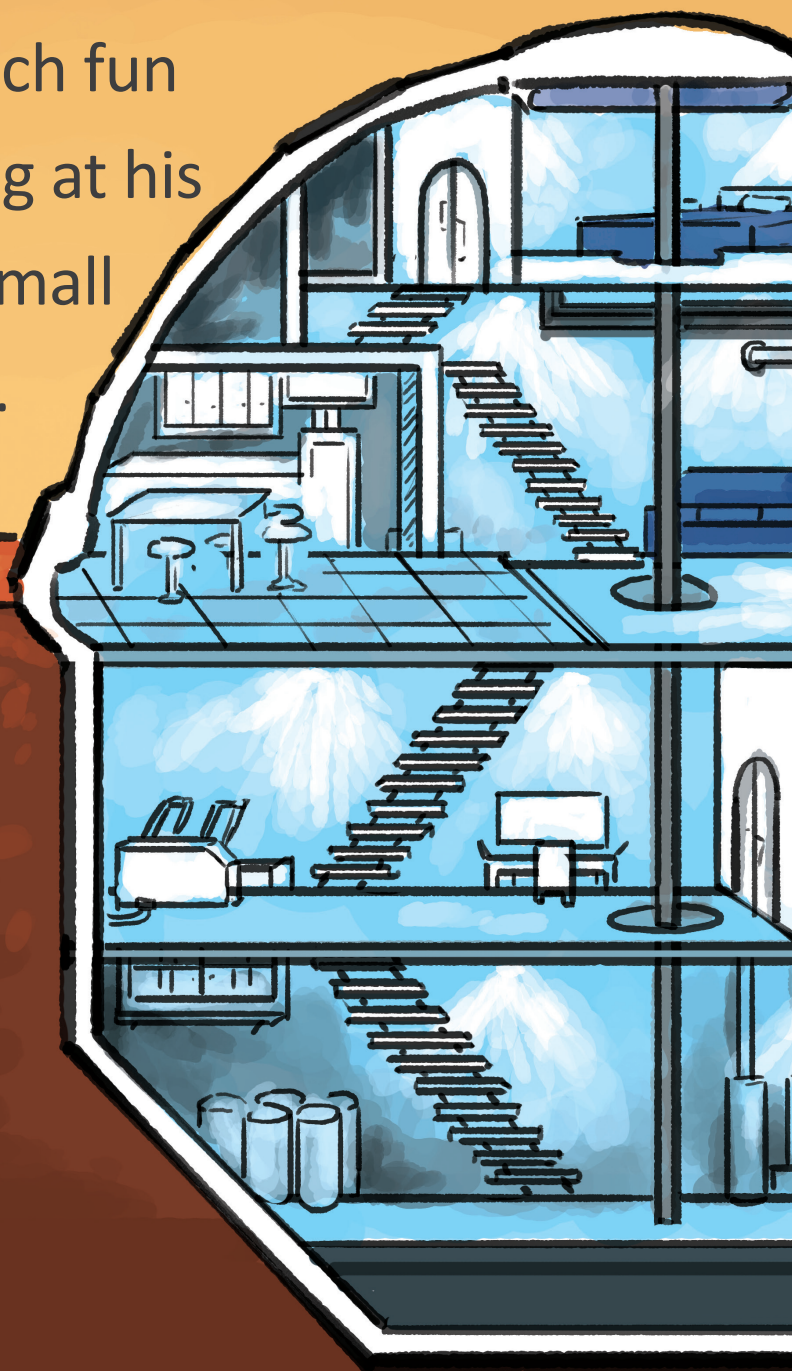

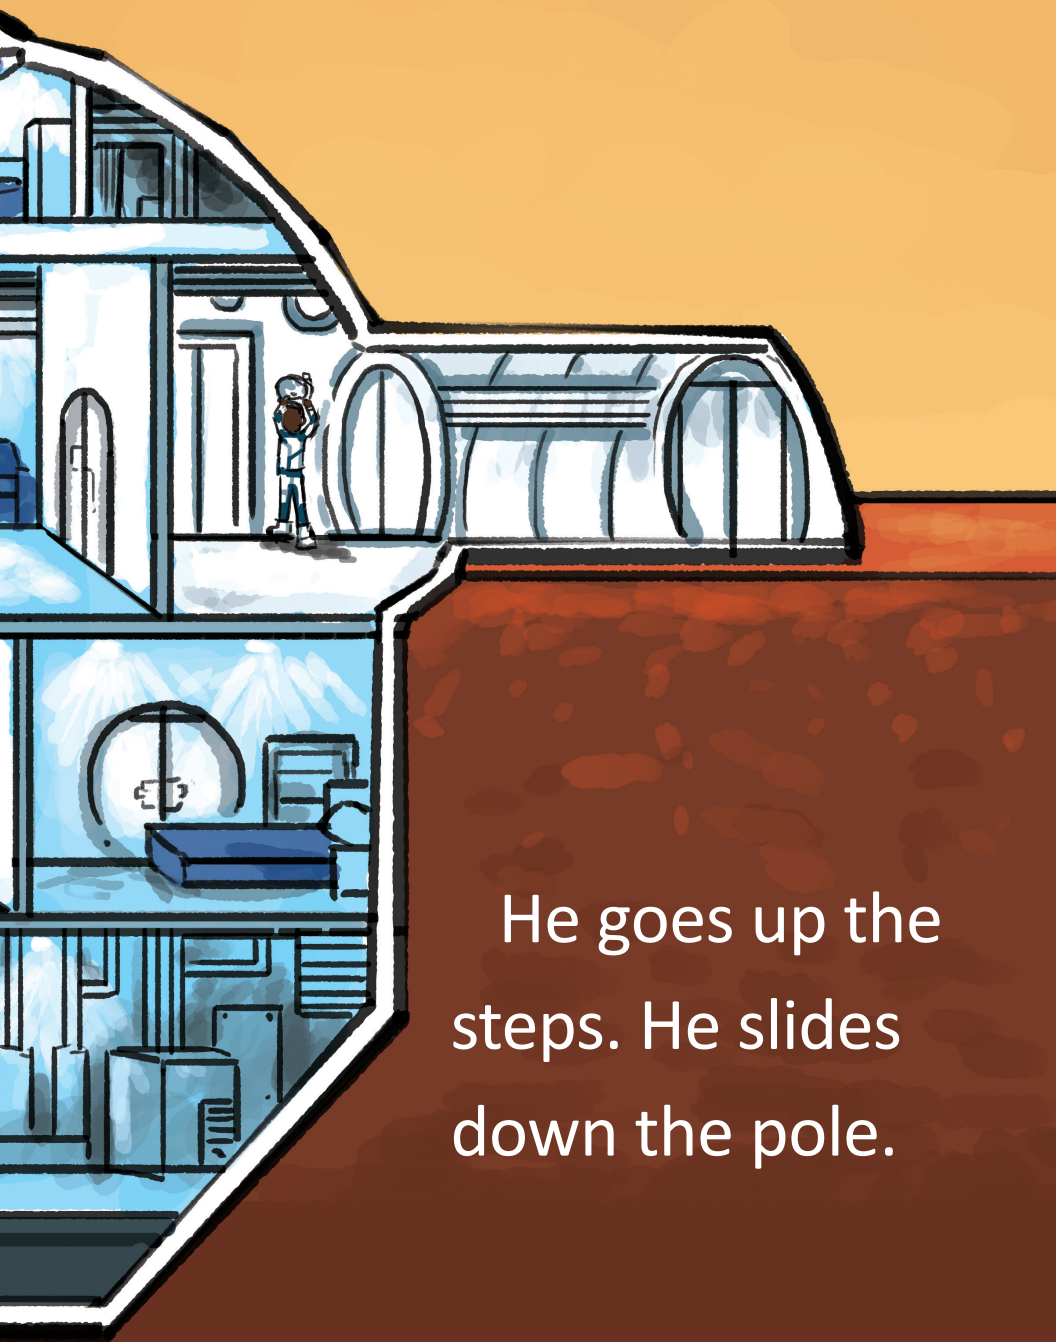

Mark's new home is a dome. Do you like it?

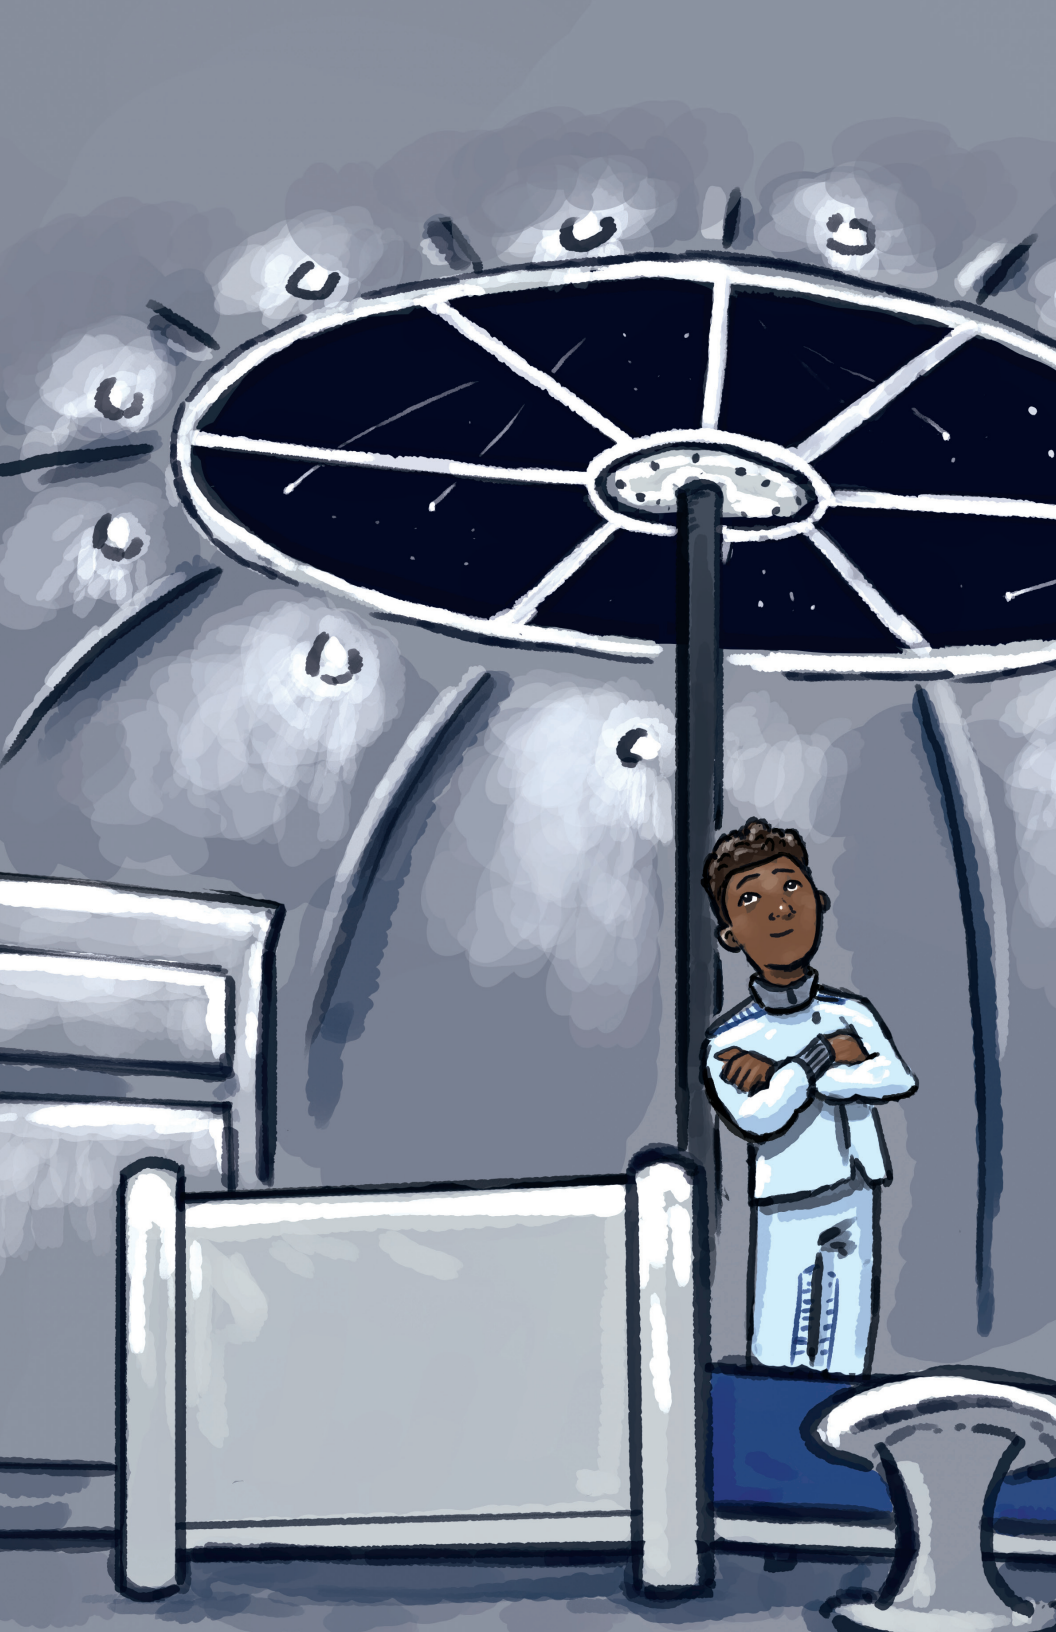

It has no trees by it, but it has a ton of red sand.

Mark has
so much fun
looking at his
new small
home.

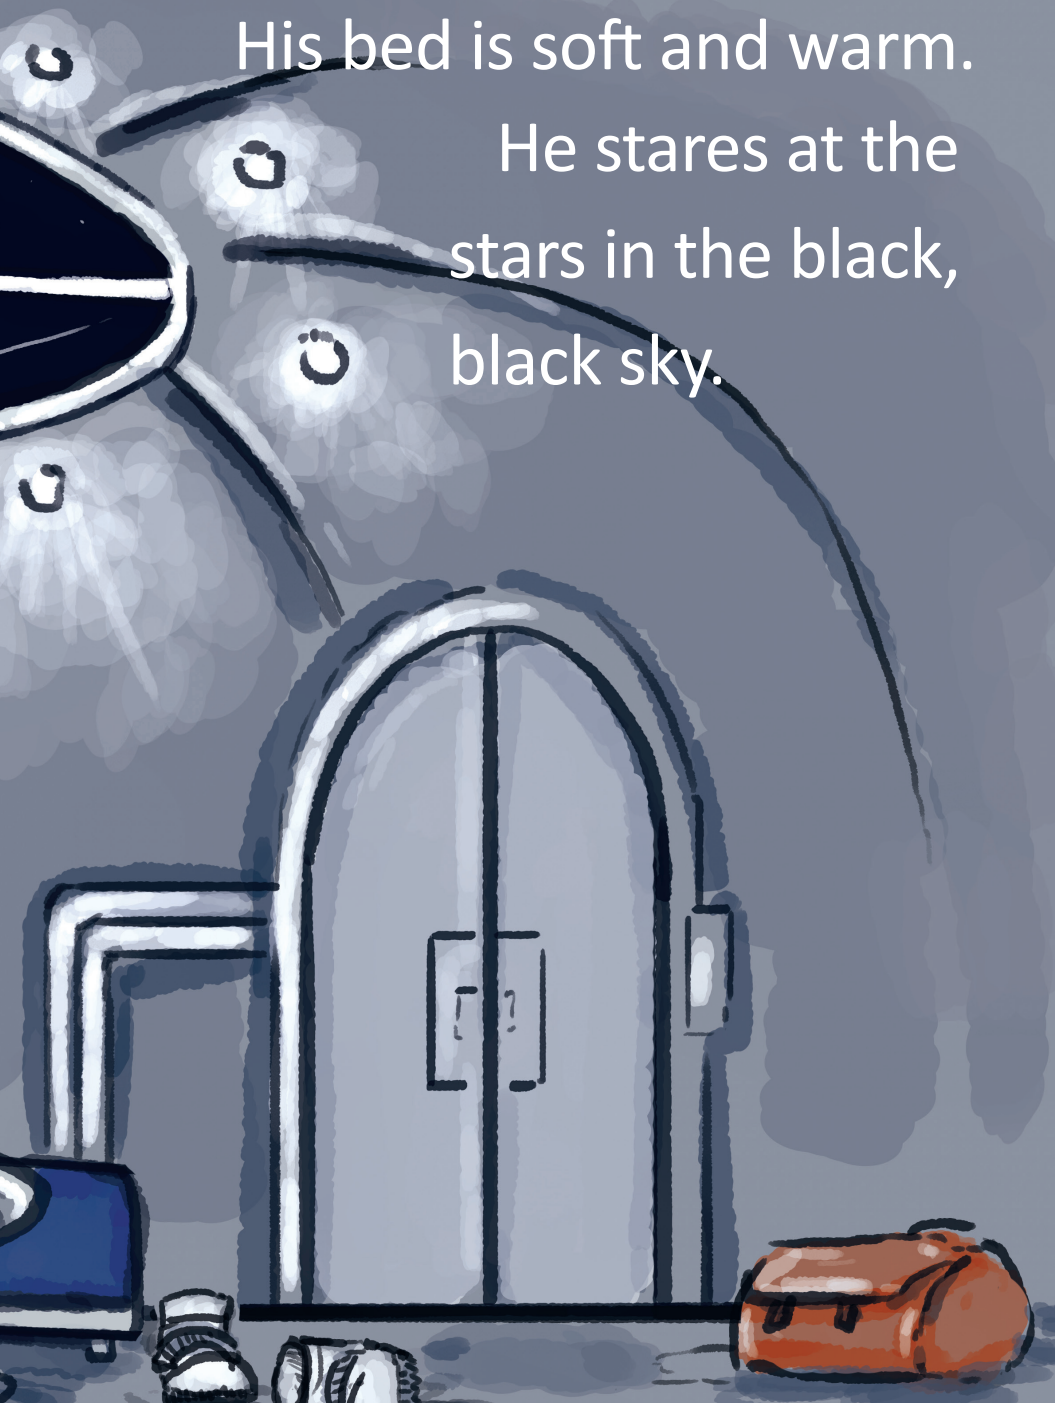

He goes up the
steps. He slides
down the pole.

Mark sleeps here.

His bed is soft and warm.

He stares at the
stars in the black,
black sky.

MARK LIVES ON MARS

Mark and his family have left Earth and moved to Mars! Everything is new and exciting. Join Mark as he explores his home and learns all about the Red Planet.
