Kittens love to play, chase things, and hunt.

Can cats see better than you when it is dark? Yes! They see six times better than people in the dark. They can also hear and smell really well.

The tail of a cat tells how it feels. This cat feels happy.

Cats can be many colors:
pretty orange, fuzzy brown,
fluffy gray, sleek black, and
soft white too! They can have
many patterns.

It takes a lot of work to train a puppy. A puppy needs to find out where to go potty, what is OK to chew, and not to jump too much.

Some dogs are good at hunting. Other dogs herd sheep and cows. Some are great pets.

Dogs can be good friends
to people. Do you think
this dog looks friendly?

Many dogs have two layers of fur. The top layer is stiff hair. The next layer is soft and warm.

FACTS ABOUT
**Cats &
Dogs**

I can read it all by myself! Young readers will be excited to learn about two of their favorite animals in this adorable, fact-filled book. Cute photographs of real kittens, puppies, cats, and dogs will fascinate young readers as they keep reading to learn about these lovable animals' behavior, diets, habits, and more.

Facts About Cats & Dogs is perfect for children reading at Level 2A, while nine challenge words help them stretch their skills.
