Jeff was a boy who loved pets.

Many boys and girls have a dog or a cat for a pet, but not Jeff.

Jeff had a pet hamster named  
Thunder.

Last year Jeff worked hard and saved to get a pet.

As he looked at the tanks of fish and pens of snakes and birds, he could hear a rolling sound and then a *BOOM!*

He looked down and spotted a fluffy ball of fuzz rolling into the wall.

“For such a little thing, you run fast and crash loud.”

## A Hamster's Tale

Jeff loves pets! He does everything and goes everywhere with his pet hamster, Thunder. Thunder teaches Jeff about responsibility and caring for a pet. Jeff also learns a lot when Thunder causes a bit of trouble at home.
