SNIEFF

By Jenny Phillips

THE GOOD AND THE BEAUTIFUL LIBRARY

Sniff is my pal. We
stay in when it is hot.

We sled when it is not hot.

We splash when it is wet.

One day Mom says,
"Sniff will have pups
in a few weeks."

I am so glad.

A few weeks pass.

The pups come!

I love them so much!

There are six pups.

One of the pups is so small.

I call him Fred.

SNIFF

Surprise! Sniff is having puppies! The little girl is so excited about the new arrivals but feels sad when it is time to find homes for the sweet pups.

One by one, the puppies are chosen and carried away—all except one. Come along with the girl and her best pal, Sniff, as they search for a home for the littlest puppy.
