Anne Marie and the Reading Dog

Chapter One

Little Anne Marie loved to read.
She read books at home and in
her tree house.

She read books while Mother
shopped or cleaned. Sometimes
she would even read in the
bathtub!

Anne Marie liked to read books about people. She liked to read books about places to visit and play.

But most of all, she liked to read books about animals—big animals, small animals, animals at the zoo, or animals in the wild. She loved them all just the same.
