MARINE BIOLOGY

The Good AND THE Beautiful
CURRICULUM

Lesson 1

Circle the fish that matches the first fish in each row. There may be more than one matching fish in each row. Color the fish.

Look at the items on the graph at the bottom of the page. Color one box next to each item every time you find it in the picture.

Lesson 2

Color each sea creature. Then draw a line from the sea creature to its matching shadow.

Trace the lines to connect each sea creature to its baby. Color the sea creatures.

Lesson 3

Circle the six items in the top picture that you do not see in the bottom picture. Color the top picture.
